About the Farmers Market and Fall Festival

The 2015 season will open on Thursday, June 11th, and run every Thursday through September 10th. The Fall Festival will be held Sunday, October 11th, 1-6 pm.

The Farmers Market was created in 2011 to support the emerging Main Streets of Ridley Park revitalization plan. The Main Streets organization was formed in 2010 and produced a Fall Festival which was extremely successful and brought over 5,000 people into town. Since the inaugural year with 20 vendors the market had continued in its popularity and success. Both the Farmers Market and Fall Festival have grown in attendance every year, with 2014's festival seeing over 8,000 attendees!

In addition to the contribution by the Main Streets of Ridley Park program to the Farmers Market, the Borough of Ridley Park has also invested in its future. The business owners, Borough and residents have welcomed the Farmers Market as a Thursday evening neighbor and look forward to its return in 2015.
